2 February 1956

MEMORANDUM FOR: Project Administrative Officer (Finance)

SUBJECT : Invoice PH14029 - Billing No. 1 - Hycon Mfg. Co.

Although I have signed the attached invoice as approving officer, I note the incorrect entry you have circled in red on the supporting schedule. I assume that in a case like this you will request a correction from the supplier or make some record of this error for reference at the time of future audit.
